

A Karma Rescue dog success story, Ray Charles, had vision problems. Karma was able to get him treatment, surgery and a happy home. What he lacks in eyesight he makes up for with incredible powers of smell and hearing.

Taking. Pawsitive Action

By Kyra Kirkwood

In Buddhism and Hinduism, *karma* is defined as "action," the universal law of cause and effect. If you trust that every positive action has a positive effect on the universe, be it seen or not, then the work done today by the folks at Karma Rescue must be paving the way for an extraordinary tomorrow.
